**Link for the Sunday notice board - [Sunday dashboard](#)**

This information is live and notices will be published here per event.

(Main) Paddock – Please refer to the plan in the Office window where car numbers are shown in the appropriate bays A – D, 1 – 22. The Farmyard (by office) is numbered F 1-10, H 1-10. Paddock Marshals will assist you if you need help finding your space. SL indicates “Start Line”, on the grass along the fence on the left of the track towards the timing hut and screen.

2. ARRIVAL / PARKING / **DEPARTURE:** There will be NO admittance for competitors before 12 Noon on Friday, please do not arrive before this time or queue on the road at the bottom of the drive. Please use the trailer park beyond the bottom paddock, and below the Motorhomes. No parking in the Officials/Camping field by the start line or in any of the farmyard.

**Please leave via the camping field side lane accessed at the south end of the barn in the main paddock (by space D1) if you have to depart before the end of the meeting to avoid going back through the paddocks during the meeting.**

3. SIGNING ON Signing on has been done digitally prior to the meeting, avoiding the need to line up at the office. No entry passes are being sent out, you will be “checked in” on arrival at the gate. Please advise the gateman on arrival the names of all persons in your vehicle.
4. SCRUTINEERING: **Scrutineering will start at 07:30** The information you submitted has been passed to the scrutineers. Scrutineers are present at the meeting who will check all cars and documents. Please remember to bring your Competition Licence, club membership card, Vehicle Passport / Log Book (if applicable), MOT Certificate (if applicable) as these may be requested and examined.
5. Gurston Down has a ‘**No Tyre Spinning/Warming**’ policy on the way up to the Start Line. The First Offence will result in returning straight back to the paddock forfeiting that run. The second offence will result in exclusion from the event. Tyre wraps etc to be removed and disposed of in paddock bays or assembly / holding area and not in the startline area.
6. PRACTICE & COMPETITION RUNS will, where possible, be run in car number order, as published prior to the event, in batches.  
Provisional running order for Saturday and Sunday:

Batch 1	Car 732, 734, sidecar 988
Batch 2	Motorbikes and Sidecars
Batch 3	14 – 53, 610,642, 684
Batch 4	510 – 599, 756, 762, 775, 780, 786
Batch 5	56 – 99, 926
Batch 6	100 – 126, 934, 936
Batch 7	130 – 146
Batch 8	150 - 176

Application must be made to the Clerk of the Course for any variation in the running order. We will be operating the

standard Gurston starting procedures.

However please note:

Cars to remain in paddock spaces until called forward by paddock marshals. Limited cars will be held in forming up area. Driving to the line as soon as possible after being called will be much appreciated.

Printed times are available at terminals at the far end of the office. Times will be available through the Gurston live timing website and timing screen as you enter top paddock. No printed times are available in the top paddock.

On returning down the hill on the last run of the day, thanking the marshals with a wave or thumbs up is much appreciated, however please avoid using your car horn, in respect of our neighbours.

If you come to a halt on the hill, a marshal will approach your car, face on and at a safe distance, in order to obtain a "thumbs up" signal from you. An intervention (recovery or medical) vehicle will attend if help is required.

**DOUBLE DRIVERS** - Double drives are prefixed **7 or 9**. **Please note:-** Would double drives please indicate on arrival in the top paddock by raising their arm in order that the paddock marshals can park them appropriately. The driver without the dual prefix runs in class. The driver with the '7/9' prefix will run in an earlier batch.

Double drivers will be released first to return to the paddock, so there should be plenty of time to return and park in your paddock bay, make the changeover, engine to cool, etc. Stay in your paddock space until you are called forward. The driver without 7/9 prefix should be able to run in class order this way.

**PRACTISE** - (both days) will start at 8.30am. **Our intention is to offer two practice runs followed by lunch break (provisional), followed by the First Competitive Run, Second Competitive Run, then the bike top 10 rider run-off then the Gurston Challenge Top 10 run-off between the fastest 12 registered drivers.**

**Note: Gurston Challenge Championship entry has now closed. Competitors who have elected to run out of their championship registered class will NOT be eligible for either championship points or qualification for the Top Ten run off.**

**RESULTS** - Provisional results will be announced at the end of the meeting, formal results will be checked, to be posted digitally and at the office when verified. **There will be awards ceremonies both days at the end of the meetings, outside the restaurant. Awards are available for FTD, class 1<sup>st</sup> (2 or more in class), 2<sup>nd</sup> (if 5 or more in class), 3<sup>rd</sup> (if 9 or more in class).**

7. Tow cars, trailers or tender vehicles cannot remain in any part of the paddock or farmyard. Competitors arriving after 8.30 must unload in the trailer park. Please do not bring trailers into the paddock before the end of the meeting. There is an exit from the trailer park.
